

**#MakeEveryDaySimple**  
with the all new **TallyPrime**

*At Tally, innovation never stops. Our drive to simplify the lives of business owners never fades. That is why, we have gone a step further to **#MakeEveryDaySimple** for you.*

**Presenting TallyPrime  
the all-new business management solution.**

Here's what we have done to enhance your experience further.

1

*Simplified the simplest so you can discover the product easily and make the product do more for you without learning anything new*

2

*Introduced greater flexibility to help the product adapt even more to your business and way of working*

3

*Transformed the look and feel to make you love the product even more*

# Simple additions. Everlasting impact.

While there are several experiences that we have introduced in TallyPrime, here are a few that we believe will make you love the prime experience and never want to go back to the older versions!

## GoTo and SwitchTo

This new capability helps you find things which you might not have known about or what they could do for you, and discover new insights to run your business better. It also helps you multi-task better, moving from report to report while keeping track of your previous actions.

# Enhanced Reporting Engine

**Profit & Loss A/c**  
Apex Electricals  
1-Apr-19 to 31-Mar-20

**Trading Account:**

<b>Sales Accounts</b>		<b>53,73,710.50</b>
<b>Cost of Sales :</b>		<b>23,31,913.20</b>
Opening Stock	12,58,567.00	
Add: Purchase Accounts	38,47,458.00	
Less: Closing Stock	27,74,111.80	
<b>Gross Profit :</b>	<b>30,41,797.30</b>	
<b>Income Statement:</b>		
<b>Indirect Incomes</b>		<b>9,609.31</b>
	30,51,406.61	
<b>Indirect Expenses</b>		<b>3,34,009.72</b>
<b>Nett Profit :</b>	<b>27,17,396.89</b>	

**Callout Box:**

- B:** Basis of Values
- H:** Change View
- J:** Exception Reports

**Basis of Values** changes the parameters in the reports to provide a different perspective

**Basis of Values**

**Stock Valuation Method**

List of Configurations	
Stock Valuation Method	Std. Price
Current Stock Position	Nett Stock
Use Due Orders only	No
Scale Factor	Default

**Change View**

List of Views	
<b>Views</b>	Show More
Stock Item-wise	
<b>Related Reports</b>	
Monthly Summary	
<b>Movement Analysis</b>	
Ageing Analysis	

**Change View** suggests alternative views of the same report to get better insights

**Exception Reports** highlights data in the reports that you should know that stands out, for example, stock items with negative balance

The screenshot shows the 'Exception Reports' window for 'Apex Electricals'. At the top, there is a 'G: Go To' button. Below it, the title 'Apex Electricals' is displayed. The main heading is 'Exception Reports', followed by a search bar. Below the search bar is a section titled 'List of Exception Reports' with a 'Show More' button on the right. The list contains three items: 'Negative Stock Items', 'Sales Order Outstanding', and 'Purchase Order Outstanding', with 'Below Reorder Level' listed below them.

## Simplified Data Entry

The **More Details** capability allows you to handle all sorts of situations you encounter in your business every day.

The screenshot shows the 'More Details' window for 'Apex Electricals'. At the top, there is a 'Z: Exchange' label and a 'G: Go To' button. Below it, the title 'Apex Electricals' is displayed. The main heading is 'More Details'. Below this, there are two fields: 'Details of : Voucher' and 'Additional Details :'. Below the 'Additional Details' field is a section titled 'List of More Details' with a 'Show More' button on the right. The list is organized into sections: 'General' (with 'Dispatch Details' highlighted), 'Export Details', 'Voucher Narration', 'Order Details', 'Party Details', 'Consignee Details', 'Price Level', and 'Reference No. & Date'. The 'Party Details' section shows 'SD Aadarsh Equipments' and 'Class B - Retailer'. The 'GST' section shows 'GST - Tax Analysis' and 'e-Way Bill Details' with the value '2122112'.

## Consistent User Experience

With our new Top Bar, Right Bar and more consistent user experience - you will not only be able to simply move to the new TallyPrime without any hesitation, but also not be able to imagine life without it!

## Little things that make a whole lot of difference

Here are some more enhancements that have been introduced to make your life simpler and delight you.

- The product comes with an intelligent setup manager, that can interact with all the components of the system where Tally is running and guide you to troubleshoot any licensing or application run-time issues
- Printing out your invoices and reports is not only much more convenient in TallyPrime with the print anything from anywhere capability, but also eco-friendly. You can now save up to 80% of paper with the optimized way of printing when it comes to specific vouchers like GST invoice
- Introduction of Windows key combinations like Ctrl+C and Ctrl+V adds to harmonization
- Now navigate Windows folders from within the product while finding a location to either create company data in or to load existing company data
- Mouse compatibility has been enhanced so that you get the same level of convenience as a keyboard
- Introduction of Single Sign-On experience so you can load multiple companies with the same credentials using a single log-in
- Introduction of Change Mode to toggle between the various modes of a transaction without needing to worry about pre-configurations
